St. John High School

About Us

St. John School, with over 30 years of academic excellence in the field of education, empowers holistic child development. Guided by our motivated and experienced educators, we nurture growth in life skills, career-oriented learning, and the values of motivation and morality—preparing students to become responsible and inspired members of society.

Our Vision

To empower the future of our nation by nurturing youth with moral understanding and the strength to contribute to the development of both our country and the world. We aspire to shape citizens of knowledge, compassion, and discipline, young individuals who exemplify developmental skills within the rich framework of the school

Our Mission

To inspire and nurture young minds with motivation, preparing them to contribute to the well-being of society. Through school education focused on holistic development and moral understanding, we guide disciplined children to grow abundantly in knowledge, character, and purpose.

B.Ed , MBA

St. John School was just a dream 30 years ago which has been transformed into reality, thanks to the vision of eminent educationist Late Shri Shankar Kumar Bose coupled with endless hours of hard work by a dedicated team of educators. Extending freedom and support to everyone involved is the magic mantra that has imbibed the spirit of excellence at St. John High School.

Our constant endeavour is to create compassionate, responsible and environmentally aware global citizens, who are committed to the development of India.

I compliment the St. John School team for their hard work and dedication. Their efforts are deeply appreciated. STJS is an excellent team of dedicated and competent staff. As a result students at all levels are progressing well and the guardians of students are extremely satisfied.
